## PAPERS ARE FILED BY CANDIDATES

**Socialists and Prohibitionists Not to Have State Tickets**

**NO OPPOSITION TO CONGRESSMAN DALE**

**John W. Gordon of Barre, Who Was Reported as Ambitious, Did Not Take Out Papers—More Signatures Than Are Required.**

MONTPELIER, Aug. 23.—Republican and Democratic candidates for state offices, United States senator and congressman, have conferred with section 6 of number 4 of the acts of 1915 by assenting to have their names placed on the primary ballot and have filed with Secretary of State Guy W. Bailey the necessary number of signatures as provided by the statute.

Some of the primary papers were filed at the local office of the secretary of state and others at Essex Junction and in most instances the candidates have sent in more signatures than actually required. Yesterday at 5 o'clock was the time limit fixed for the filing of papers and only two political parties were represented at that time, so that if the socialist or prohibition organizations plan to have a ticket this fall they will have to resort to the petition method, not entering into the primaries at all.

**Republican Candidates.**

Following is the list of the Republican candidates: United States senator, Carroll S. Page, Allen M. Fletcher, Charles W. Gates. Congressman, second district, Porter S. Dale. Congressman, first district, Frank H. Greene.

Governor, Horace F. Graham. Secretary of State, Guy W. Bailey. State Treasurer, Walter F. Scott. Auditor of Accounts, Benjamin Gates, Thomas S. Cave, Jr.

Lieutenant Governor, John E. Weeks, Roger W. Hurlburt. Attorney General, H. G. Barber.

**Democratic Candidates.**

United States senator, Oscar C. Miller, Newport. Congressman, first district, Emmett B. Daily, Bennington.

Congressman, second district, G. Herbert Pape, Barre. Governor, Dr. W. B. Mayo, Northfield.

Lieutenant Governor, Henry C. Brislid, Rutland. Secretary of State, Thomas B. Wright, Burlington.

State Treasurer, Orlo E. Luce, Stowe. Auditor of Accounts, J. C. Durick, Fair Haven. Attorney General, Fred L. Webster, Swanton.

This property has a frontage of 150 ft. and a depth of from 200 to 400 ft. This property will be worth one-third more than we are asking for it five years hence. In fact it is the only vacant land that is available for factory sites on this street. It is within a few feet of the C. & V. R. R. where a spur track can be laid to the land. An opportunity like this comes once in a lifetime to people who are looking to the future. Mr. Business Man, if you are interested in the development of Brattleboro, see us about this.

Stanley and Robert McKinnon, former members of the bankrupt firm of Griswold & McKinnon, in an endeavor to recover money to the amount entered in the writ of \$25,000, lent on notes signed by them. In each case bail was set by the superior court of Vermont at \$25,000 and was furnished by both parties.

**DR. S. W. BOYLE A SUICIDE.**

**Physician Who Shot Himself at Panama Practiced in Middlebury.**

MIDDLEBURY, Aug. 23.—Dr. Stacy Watson Boyle, who had practiced medicine in this town for the last year, leaving four weeks ago, committed suicide about two hours after his arrival at Colon, Panama. He was enroute from New York to Peru where he had been engaged as one of five physicians at the mines of the Corro de Pasco Mining company.

When Dr. Boyle left town he stated that he was soon to sail for France to enter the French army as a surgeon. Evidently he changed his plans after reaching New York as he sailed for Peru August 12 to the fruit steamer Pastores. Passengers on the boat stated that he had been drinking to excess on the trip. He shot himself through the head about two hours after landing at Colon.

Dr. Boyle, who was 29 years old, was the son of Dr. Charles C. Boyle, a homeopathic physician of New York. The senior Dr. Boyle is a member of the Homeopathic Medical society of the state of New York and is a surgeon on the staff of the New York Ophthalmic hospital, and the Metropolitan hospital on Blackwell's island.

Under recent orders of the postmaster general the payment of indemnity for any damage to registered, insured and C. O. D. mail will be made in the future. Heretofore the payment of indemnity has been restricted to irreparable damage to articles or parts of articles contained in registered, insured or C. O. D. parcels. Under the amended regulations payment will be made for the actual, usual, direct and necessary cost of repairs required to place them in a serviceable condition.

**PAPER COST HITS HOTELS.**

One New York Proprietor Cuts Menus and Puts Lid on Stationery.

NEW YORK, Aug. 23.—Because of scarcity and high cost of paper, one of the leading hotels here has announced that it would reduce the size of its menu cards beginning September 1. Other hotels are expected to adopt the same course. The hotel which has taken the first step also will require those wishing to write letters in the writing room to approach the desk for paper and envelopes. This is intended to discourage those not guests from using the hotel stationery.

**KILLED BY FLYING PLANK.**

Victor L. Dumas of Burlington Was Hit in the Chest.

BURLINGTON, August 23.—Victor L. Dumas of 188 Pine street died Monday afternoon in the Mary Fletcher hospital, where he was taken Saturday afternoon, following an accident at the Champlain shops, where he was at work. While he was running a saw, it kicked in some manner, throwing the plank he was sawing against his chest with great force, causing internal injuries. He was rushed to the hospital and operated on, but to no avail. Mr. Dumas was 37 years old. He leaves a wife and two daughters.

**VICTIM OF HIS OWN TEAM.**

Charles Rome of Burlington Was Run Over Last Friday.

BURLINGTON, Aug. 23.—Charles Rome of 48 Bright street, a junk pedler, died Monday in the Fanny Allen hospital, as the result of injuries received in a runaway accident Friday afternoon. On that day, Rome was bringing a load of iron to Essex Junction and when about a mile from the village his horses became frightened and ran away. Rome was thrown from his seat and fell in front of the wagon, which passed directly over his chest. He leaves a wife and four children.

**Be The Master Of Your Health; You Surely Can As The Master Medicine Has Relieved Men And Women Everywhere So They Declare.**

A small boy standing on a pier watching a great ship weigh anchor is sure to have an inspiration. He wonders, as the ship steams grandly out to sea, if he will ever be a captain.

Little does the youngster know the dangers of the deep and the huge responsibility of that captain.

The average man or woman, like the boy, little realizes, as they sail merrily, for a time, on this ocean of life, that evils greater than the rocks and reefs of the sea beset them on every side.

Many a derelict floats aimlessly, through sheer neglect, before an effort is made to regain that which has been lost—health. Premature old age is seldom seen until it is too late.
